SPONGE CITIES · the journey @ Officer

VISION

OUTCOMES

VISION & OUTCOMES

How Will VicUrban @ Officer be Different?

A better place for people and for the environment.

The real value will come from being able to accomplish daily activities easily and affordably, and at the same time have less impact on the environment.

5 Innovation Platforms

Platform 2: NEW URBAN FORM

Liveable neighbourhoods that cluster a mix of jobs, services and housing and a community pathway to link all neighbourhoods.
